

The leading provider of data solutions to CRAs

Appriss Insights supplies CRAs with the industry's premier set of risk intelligence solutions

Continuous Watch

TRUE CONTINUOUS MONITORING STARTS HERE

- Provides real-time insights into new interactions with the criminal justice system in as fast as 15 minutes
- Powered by a database with direct interfaces to 85% of incarceration facilities across the U.S.
- Flexible implementation options

NCIS™

THE MOST EXTENSIVE AND FLEXIBLE CHOICE FOR NAT-CRIM SEARCHES

- Search against the most comprehensive nat-crim database in the industry
- Hundreds of customizable filters to optimize your searches
- Records added to database up to 60 days faster than other solutions
- Bundle with FACT for an alias solution

FirstAlert™

REAL-TIME INCARCERATION INSIGHTS FROM EXCLUSIVE JURISDICTIONS

- Provides 10-20% lift over a standard nat-crim search
- Powered by insights from jurisdictions not found in any other commercial criminal database
- Exact DOB Matching and high fill rates for SSN and Driver's License Numbers reduce false positives

FACT™

AN SSN TRACE THAT SAVES CRAS TIME AND MONEY

- Built on a database with billions of address and person records with up to 30 years of history
- Includes SSA Death Master File
- Flexible search filters provide customized results

ExpertCourt™

THE EXPERTS' CHOICE FOR NATIONWIDE COUNTY COURT RESEARCH

- World-class expertise and innovative technology create the best combination of quality, turnaround time, and accuracy
- Nationwide coverage
- The largest network of court integrations in the industry
- Meticulous, proprietary workflows improve quality and reduce errors

I-MED™

A COMPREHENSIVE HEALTHCARE SANCTIONS SOLUTION FROM A TRUSTED PARTNER

- New records added at the highest rate in the industry
- Fully disclosed source list
- True partnership; no competitive risk
- Available as a Level 1, 2, and 3 solution and as an alias solution

About Appriss Insights

We are the leading provider of data insights to the CRA market, powered by the nation's most comprehensive source of risk intelligence data. We equip background screeners with the knowledge they need to help organizations more effectively mitigate fraud and risk in our workplaces and communities.
