The Division of Victim Services is pleased to announce a new version of Victim Information and Notification Everyday (VINE) which includes a Service Provider Directory. We hope that you will choose to be a part of this important new resource for crime victims in our state.

Please read the following criteria and guidelines before submitting your agency's information for review:

- The agency/organization must provide services in Michigan, regardless of where the agency is located. Services include emergency support, basic needs, counseling, healthcare, legal/financial support, and children's services.
- Agencies/organizations will be responsible for updating and maintaining their own information. Failure to update annually will be grounds for removal from the directory.
- Questions about inclusion or exclusion from the directory may be directed to the Michigan VINE (MI-VINE) Program Manager.
- The Division of Victim Services reserves the right to include or exclude any agency or organization at its discretion.

The following will be excluded from participating:

- Agencies/organizations that discriminate against individuals based on race, age, gender, religion, sexual orientation, or similar factors.
- Agencies/organizations that misrepresent themselves or their services in any way, including non-delivery of services, or that are engaged in illegal or fraudulent activities.

If you have any questions please feel free to contact James McCurtis, Jr., MI-VINE Program Manager, at (517) 241-4129 or [McCurtisJ@michigan.gov](mailto:McCurtisJ@michigan.gov).
