

Connect to Victims with VINE

Join the MTVINE Service Provider Directory

VINE® (Victim Information and Notification Everyday) is a solution, developed by Appriss, that provides victims of crime with access to timely and reliable offender custody information. MTVINE is administered by the Gallatin County Sheriff's Office.

Offering peace of mind, VINE lets victims call a toll-free number, visit www.vinelink.com, or use the VINELink mobile app to check on an offender's custody status. Victims can also register to receive automated notifications about changes in status via phone, email, text, or TTY for people with hearing loss. VINE is currently provided to victims as a free service, with nearly 95 percent participation nationwide.

The Future of VINE

VINE has been serving victims since 1994. Since then, technology has made significant advances. With the prevalence of mobile application technology in our daily lives, Appriss recognizes the need to modernize the VINE platform to meet the expectations of millions of users annually.

In Spring 2017, Appriss began rolling out an updated version of VINE in self-selected states. The newest version of VINE leverages technology to improve the user experience and expand access to services for victims of crime.

Reach More Victims with the MTVINE Service Provider Directory

Fewer than one in ten victims of serious violent crime in the U.S. receive assistance from a victim service agency. Additionally, there is currently no central website or mobile application that lists services for all types of crimes. The new version of the Montana VINE service will help bridge this gap. The Montana VINE Service Provider Directory will centralize agency information by offering a new, comprehensive directory of victim service providers in Gallatin, Montana.

There is no cost for your agency to be added to the directory. More than 100,000 searches for victim resource providers are conducted in VINE each year. By participating in the directory, your organization can connect with, and promote services to victims of crime in Gallatin, Montana.
